

Kidzone Winter Closing Information

When Kidzone has to close due to weather or other circumstances please listen to **WSBT – Channel 22 for Kidzone—Benton Harbor** to be listed under the closings and **Channel 3 for Kidzone—South Haven** to be listed under the closings . If Kidzone is closed it does **NOT** mean that Lake Michigan College is closed.

You will **not be** called directly from the Center although Kidzone staff will try their hardest to contact you at home to let you know that we will be closed. Kidzone will be putting a message on Kidzone voice mail to let you know if we are closed if at all possible. (During a power failure, our voicemail does not function properly.)

All parents will be charged according to their child's package when closed. You are given 10 free days to use throughout the year. We need 2 weeks prior notice when you wish to use your free days in writing.

Thank you,

Kidzone Staff
