Dear Families,

I want to take this time to formally introduce myself to you. I am the new Program Director/Preschool Teacher for Kidzone. As Program Director I will be over the following departments:

- Teaching Pre-School/Portfolios
- Curriculum
- Setting up Parent/Teacher conferences
- Making sure our Center is kept clean and sanitized
- Assisting in the evaluation of staff

In August of 2005 I received my Associates in Applied Sciences/Early Childhood Education, worked in Special Education as a paraprofessional, summer camp supervisor for a non-profit organization and most recently as a pre-K/Kindergarten teacher for a private school.

It is a pleasure to be a part of the team of women who provides the care and teaching of your children. If you should have any questions or concerns, please feel free to contact me at the Center at (269) 927-6293 or e-mail me at kidzone3@kidzoneonline.com. I would be happy to assist you.

Thank you,

Stephanie LeBlanc
Program Director/Preschool Teacher
