Preschool & Childcare Center, LLC

Drop-in Service

With this service you will need to call ahead and see if a spot is available for your child (*2.5 years and older only*) If a spot is available you are welcome to bring your child to the center. Once at the center you will need to fill out a "drop-in slip." We will need your child's name, date and hours of care. The cost is \$5.00 for two and a half to three years old, \$4.50 per hour for four to five year olds and \$4.00 per hour for school-age and must be paid when dropping your child off for the day. Please put the drop-in slip along with the tuition in the tuition box before leaving your child for care.

Enrolled Hourly

You provide us with your child's schedule (no more than 10 hours per week) and you are then guaranteed a spot in the program. You will be billed bi-weekly and tuition is due regardless of attendance.
