Summer Camps

Kidz on Kampus will provide Weekly Themes that will give the children opportunities to earn scouting incentives throughout the summer for boys and girls alike.

Kidzone will provide, and train them in Scout craft, and to teach them patriotism, courage, self-reliance, and kindred virtues, using the methods which are now use by Scouts everywhere.

(Themes may vary on location)

“My son is always happy to arrive at Kidzone and to be involved in the day’s activities. He has been enrolled in two summer programs. Thanks to Kidzone my son has participated in a play, wrote a book, built a dinosaur, created artwork. He has made friends that he says are his best friends forever. He was proud when he learned to plant and care for a garden, enjoying water slides, and learned different foods from other cultures. Because of Kidzone, I can say that my son truly sees the world as a rainbow of cultures and ethnic diversity.”

Janice, Kidz on Kampus parent

Cub Scouting

Cub Scouting means “doing” Everything in Cub Scouting is designed to have the boys doing things. Activities are used to achieve the aims of Scouting citizenship training, character training, character development, and personal fitness. All the activities will happen right here at Kidzone located on campus at Lake Michigan College. Apart from the fun and excitement of Cub Scout activities, the Cub Scout Promise, the Law of the Pack, and the Cub Scout sign, handshake, motto, and salute, all teach good citizenship and contribute to a boy’s sense of belonging.

Girl Scout Brownies

Try-it means just that. Jump right in. Get your hands dirty and your heart racing. Use your imagination. Learn a new hobby. Show everyone how good you are.

Girl Scout Brownies work together in groups, earn Girl Scout Brownie Try-Its, and explore their community. Friendship, fun and age-appropriate
