Why scouting at Kidzone?

Why not?

Boy Scouts of America have been chartering with community organizations since 1916.

The Boy Scouts of America has two kinds of charters. One enables community groups to use the scouting program under their own leadership as a service to their children, youth and families. The other empowers local councils to help chartered organizations effectively use the Scouting program and to expand the use of the program to other community groups.

Kidzone will help provide abilities to boys to do things for themselves and others, to train them in Scout craft, and to teach them patriotism, courage, self-reliance, and kindred virtues, using the methods which are now use by Boy Scouts.

The summer brings possibilities of new friends!

Cub Scouting

**Join us in
Cub Scouting!**

Cub Scouting means "doing" Everything in Cub Scouting is designed to have the boys doing things. Activities are used to achieve the aims of Scouting citizenship training, character training, character development, and personal fitness. All the activities will happen right here at Kidzone located on campus at Lake Michigan College. Apart from the fun and excitement of Cub Scout activities, the Cub Scout Promise, the Law of the Pack, and the Cub Scout sign, handshake, motto, and salute, all teach good citizenship and contribute to a boy's sense of belonging.

Girl Scout Brownies

Try-it means just that. Jump right in. Get your hands dirty and your heart racing. Use your imagination. Learn a new hobby. Show everyone how good you are.

Girl Scout Brownies work together in groups, earn Girl Scout Brownie Try-Its, and explore their community. Friendship, fun and age-appropriate activities.

Activities: Variety of sports, computer, books, recyclables, new foods, history, mini-version Olympics, American flag ceremony, plus many more!
