

Kidz on Kampus

June 1-12 - NEW BUDDIES/FRIENDS ARE FUN

Wonderful opportunities are waiting! The summer brings possibilities of new friends. The boys and girls can learn the value of friendship, cooperation, and respect through games and activities. This new team of buddies/friends can develop secret codes and write messages to each other. They will all learn the Cub/Brownie handshake and motto which will signify belonging to that special group. The boys and girls can practice the buddy/friends system as they go on hikes, work on projects, play games, and participate in sports. This is a great week for boys and girls to earn a Cub/Brownie Academics or Sports belt loop or pin or/try its as they work and play together with an interest they all share.

June 15-26- BE A SPORT/MANNERS

Not only is it important to do your best when you try new sports but it is important to understand the rules of being a "good sport" no matter how the game goes. Play ball, soccer, tennis, or any sport! Learn about a sport that you've never played before. Learn a sport you can play with your family: golf, tennis, bowling, or skating. Cub/Brownies can create an obstacle course for the pack to enjoy while earning the belt loop and pin/or Try its for Physical Fitness or any of the many Cub/Brownie Sports subjects.

June 29- July 10- ADVENTURES IN BOOKS/POINT, CLICK, AND GO

What great adventures come in books? Let's discover some this week. Visit the library and learn to navigate your way through the "card catalog computer," down the aisles of many adventures, and to an adventure of your own choice. Make a costume for one of the characters from your favorite story. The boys and girls can perform some of their favorite stories and share some of their adventures with the others. This might also be a good week to work on the Communication or Computer belt loop and pin/or Try its. Encourage the boys and girls to have the courage to search for, discover, and share adventure this week.

July 13-24- H2Ohhh!/WATER EVERYWHERE

Dive right in as Cubs and Brownies spend time learning about water, our most precious resource. Learn about marine life. The boys and girls may even want to prepare their own aquarium or fish bowl and "adopt a gold fish". This is also an excellent opportunity to teach our kids about water conservation. Don't forget learning about water safety. Enjoy water games; Cubs and Brownies love to get wet. What could be better than a water carnival complete with games, and some friendly competition? This is a great time to work on the Wildlife Conservation, Fishing, belt loop and pin/or Try its.

July 27-Aug. 7 - AMERICAN ABC'S/WAVE THE FLAG

Take a personalized tour of the USA by the letters: Austin, Baton Rouge and Cambridge to Xenia, York and Zion. Our country contains an endless variety of scenic and historic places. What is special about these places? Choose a city or an historical site to highlight. We will invite a guest speaker who can share something special about the places your Cub and Brownies have picked to discover. We will use maps or collect tourist brochures to learn more about places to visit. Our local historical society or public library is a great place to get started. We can find local foods from the kid's choices from the ABCs and decorate to highlight their choice. This would be a good week to work on the Citizenship belt loop or pin/ or Try its or the Geography belt loop or pin/or Try its.

Aug. 10-21- LITTER TO GLITTER/EARTH IS OUR HOME

This week our Cub and Brownies will turn recycled items into treasure and learn about conservation at the same time. Using items that would normally go in the trash or recycling bin, build artistic masterpieces of your own design. It's amazing what some recycled bottles and paper can do when combined with glue and a little imagination. Don't forget you can earn the Art belt loop and pin/ or Try its.

Aug.24-31 - GO FOR THE GOLD/SPORTS AND GAMES

The athletes of the world strive to do their personal best in international competition the Cub and Brownies have the opportunity to "Go for the Gold" by doing their best. This week Cub and Brownies learn about exercise and sports. This week will be a great time to work on one of the Cub and Brownies Sports belt loops and pins or Try its. We will end the summer with a mini version of the Olympics in the LMC gym or multi-purpose room with a Cub and Brownies ceremony highlighting all of the boys and girls achievements with the Boys and Girls of America traditional incentives!
